We need a hand because something is
building. It's a need. A need across

0:00:36.160,0:00:44.160

your city, in your community and chances
are you've noticed.

0:00:44.710,0:00:51.250

A need for affordable housing. A need
to provide deserving families more than

0:00:51.250,0:00:58.010

shelter but a safe decent place to live,
to grow,

0:00:58.010,0:01:02.629

to flourish.

Not just a house.

0:01:02.629,0:01:10.520

A home. For over 30 years we've been
building too. Hundreds of affordable homes

0:01:10.520,0:01:16.869

in our local communities. Across Central
Florida, we've been helping to build.

0:01:16.869,0:01:23.479

Building stronger communities.

Revitalizing neighborhoods. Building

0:01:23.479,0:01:30.049

self-reliance, better opportunities, and
stronger relationships. We depend on a

0:01:30.049,0:01:35.780

community of dedicated volunteers and
strong local leaders to provide a hand

0:01:35.780,0:01:42.130

up - not a handout. We see it as an
investment

0:01:42.130,0:01:46.710

in people,
in families,

0:01:46.710,0:01:53.390

in the future. With your help, let's
continue to build for you,

0:01:53.390,0:01:58.270

for us, for humanity.

0:01:58.740,0:02:04.060

Because we believe
as the need builds,

0:02:04.060,0:02:06.869

so should we
