Habitat for Humanity Greater Orlando & Osceola County receives \$105,000 donation from Enterprise Holdings

Orlando, Fla. (Sept. 22, 2023) – When the walls were raised by [Enterprise Holdings](#)’ volunteers this morning, it signified the beginning of a new life for one Central Florida family and marked continued collaboration between Enterprise Holdings and [Habitat for Humanity Greater Orlando & Osceola County](#).

“Enterprise Holdings and Habitat for Humanity Greater Orlando & Osceola County share the common goal of building healthier communities across Central Florida,” says Eva Faria, insurance account manager of Enterprise Holdings. “We stand alongside this phenomenal nonprofit who understands the impact that safe, affordable housing has on people’s physical, mental and emotional health.”

In addition to volunteering, Enterprise Holdings Foundation donated \$105,000 to further support Habitat Orlando & Osceola’s efforts to help people build strength, stability and independence through new homeownership, homeowner education and home repair programs. The donation will help build more affordable housing in Central Florida.

“As Central Florida confronts an affordable housing crisis—made worse by inflation and supply chain challenges— partners like Enterprise Holdings are essential to achieving our mission,” said Lucie Ghioto, Habitat for Humanity Greater Orlando & Osceola County’s growth management officer. “Partners such as Enterprise Holdings allow us to continue to Face The Housing Crisis.”

Enterprise Holdings’ Faria was joined by nearly 20 local team members to present the donation and volunteer on the build site. For high-res photos and videos of today’s event, click [here](#).
