Meet New Homeowners

# Robert & Jennifer

Robert is a chef at an Orlando theme park and Jennifer works at a fulfillment center. The couple has a 6-year-old son. The young family moved to Orlando from Puerto Rico after Hurricane Maria. Jennifer is so excited to have a place where they can make memories. "Homeownership is everything for my family, finally having stability, a place where we can call home and grow as a family and not have to stress anymore about rent renewal."

Thanks to our tournament sponsors and golfers, more families like Robert and Jennifer's will be able to buy a home of their own that not only provides stability and self-reliance, but an opportunity for a better future for generations.
